Year 6 Transition

Primary students descended on Canobolas on Wednesday this week for the first of their four possible main transition events. Students had the opportunity to experience high school activities with their future cohort.

Congratulations to the student volunteers for conducting themselves in such a professional manner and representing the school extremely well. Shawn McKeowen, Emma Klose, Chloe Harshmann, Tyrone Howarth, Tyler Dent, Tyhler Rogers, Caitlin Radnedge, Rebekah Ryder, Zac Phoo, Erica Borys, Marnii Shelley, Rickelle Seabrook, Trixie Ward and Gabby Spresser.

Students were broken up randomly into seven classes and attended four unique classroom activities. Students all participated in the final session as a whole. A big thankyou to the Canobolas staff for giving up their time and also the primary schools for organising the students to attend.

Mr Craig Edwards
Once again students from Canobolas Rural Technology High School participated in the NSW Country Junior Chess competition. With both Brock Anderson and Joshua Dargin-Carr having great showings, competing well against some very stiff competition from all over western NSW. The winners of this competition will compete in Sydney for the title of NSW Junior Chess champion.

Dear Parents and Members of the School Community

Welcome back to Term 4, which is always very busy and challenging as the year rapidly comes to an end.

**HSC EXAMS AND GRAD**

The HSC exams have started successfully for our Year 12 students with nearly two weeks already completed. These exams will continue for another three weeks, finishing on the 9th November. The completion of 13 years of schooling will then be celebrated on the 16th November with the Year 12 Graduation at the Orange Function Centre. Year 12 students and their families are reminded that tickets are available from the Front Office and cost $80 each.

**2019 HSC COMMENCEMENT**

Year 11 students have now commenced the HSC course in all their subjects. Assessment books for the HSC year have been issued to all students. If your student has not received theirs, please contact the Year Adviser, Josh Conliffe. This book contains all the information related to assessment tasks for the next 12 months. The Senior Study Sessions are also continuing this term, each Thursday afternoon in the FOCUS Room in C Block from 3:30-5:00pm, giving students a space to study and complete assessment tasks with teacher assistance.

**NAIDOC WEEK**

Next week will see NAIDOC Week celebrated in Orange. Our students will be involved in a wide range of activities, including the NAIDOC March, the NAIROC Eisteddfod, and Orange Aboriginal Medical Centre Open Day. The school will also host an Indigenous Sports Day attracting schools from across Western Region to Orange for a day of friendly competition. The school will also mark NAIDOC Week with an out of uniform day on Friday 2nd November, with students encouraged to dress in black, red and yellow.

**YEAR 7 2019**

It was great to see such a great turn out at our first Year 6-7 Transition activity earlier this week. The students had the opportunity to be involved in mini lessons to experience what high school will be like. A Parent Information Evening will be held on Wednesday 31st October. Students and their families will be given the opportunity to hear what high school will be like, get information about uniform and BYOD requirements and also to have any questions answered. Year 6 students will also take part in further transition activities between now and the end of the year.

**JUNIOR EXAMS**

Junior exams will commence in Week 6 (Monday 19th November). A timetable will be issued to students in the near future, but it should be noted that not all subjects will have formal exams in the Hall. Some may choose to have tests during class time as their final formal assessment, whilst other subjects may have long term assessment tasks. If you have any questions please get in touch with your child’s Year Adviser.

**HSC MINIMUM STANDARD**

For students who sit their HSC from 2020 onwards there will be a new minimum standard that will need to be met to achieve an HSC. For students currently in Year 10 their first opportunity to do this was in 2017 when they sat NAPLAN. If they achieved a Band 8 or above in reading, writing or numeracy they are recognised as having met the minimum standard. If this was not the case they have to complete an online test to achieve this minimum standard. Students will have multiple opportunities to do this, with the first one occurring before the end of this term. Further information will be sent home in the coming weeks.

I hope you have a great fortnight and I look forward to speaking with again in Week 4

With my warmest regards

Kate Wootten

## AROUND THE GROUNDS

Brand new signage has been installed at the school entrance off Icely Road highlighting our flagship programs.

Also a big thankyou to our hard working cleaners Cheryl, Kelly, Andrew, Scott and Jack as well as the school’s General Assistant, Mr Felstead for keeping the school grounds looking neat and tidy.
The Dream Peddler, an important book written by Irena Kobald, about obsession and addiction, was launched at the Orange Regional Art Gallery, on Saturday 13th October.

In Term 3, under the mentorship of Margrete Lamond from Dirt Lane Press, Big Picture students Felicity Van Doorn and Jaime Macdouall, created sophisticated and thought provoking poetry, watercolour paintings and photographic pieces, inspired by aspects of the story and images portrayed in the book. These works were then professionally displayed in the gallery as the backdrop and a discussion point during the book’s launch.

The exhibition was part of a Personal Interest Project that Felicity and Jaime did as part of their individualised learning plan in the Big Picture Academy. Not only did they develop their ability to express ideas and feelings through words and images, but through their mentorship with Margrete and the publishing house, they learnt about elements of design, book and art creation, editing mark ups and general editing and publication principles.

Felicity and Jaime were presented with autographed copies of the book and met the author, illustrator and publishers to discuss the messages portrayed in the book as well as their own pieces.

The launch was attended by a large group of community members who engaged with the girls and praised them on their insightful pieces.

The whole project experience was extremely valuable for both Felicity and Jaime who are talented artists and wordsmiths and will draw on this experience with confidence as they continue to create, publish and exhibit projects into the future.
Canobolas High School will be sending a group of students down to Homebush on Friday 26th of October to witness the Invictus Games. Founded by HRH The Duke of Sussex in 2014, the Invictus Games are an international adaptive sports event for wounded, injured and ill, active duty and veteran service personnel. Canobolas High School was successful in obtaining tickets through a ballot system for schools all over the state. The students will have the opportunity to witness the athletes in action in Wheelchair Basketball and Athletics. They will also be attending an interactive information session on Prosthetics throughout the ages.
Term 4 School Sport

As the weather warms up students are encouraged to bring a hat and wear sunscreen as well as bring a bottle of water to sport. Students are able to wear their sport uniforms on the following days:

Year 10—Thursdays
Year 9—Tuesdays
Year 8—Thursdays
Year 7—Wednesdays

For the first four weeks of Term 4 all students will be remaining at school for sport. For Weeks 5-9, students will be participating in a compulsory school swimming program. Students have been given permission notes in sport, if they require a new one please see the PE staff.

PERMISSION NOTES and MONEY are to be returned to the front office by the end of Week 4.

Reminder if students are sick or injured and unable to participate in sport they MUST bring a note from their parents/caregivers explaining inability to participate.

PDHPE Assessment Reminders

Many of the PDHPE classes across the years are currently working on assessable items both in class and at home. A reminder that if your child does not complete an assessment task and hand it in on time for marking, it will affect the overall grade they are awarded for PDHPE. This grade also has a practical effort, attitude and participation mark for lessons where students participate in practical games, sports and various physical activities. Please note that this component of the course is compulsory and students may only be excused from these classes with a medical note during the time of injury recovery.

- Year 8 PASS—Game Design—Week 7
- Year 8 Gymdanstics—Week 6
- Year 10—Final Exam—Week 6
- 9 PASS – Coaching Session - Week 3
- 9 Dance – Semester 2 Journal Questions—Week 4
- 10 Dance – Semester 2 Journal Questions - Week 4
- Year 11 SLR– First Aid Examination—Week 9
- Prelim Year 11 PDHPE– Health Priority Area—Week 9
- HSC PDHPE– HSC Examination - Week 1 Thursday 18th October (Goodluck)
On Thursday the 27th of September, our dance and music students performed in the Canobolas concert! Dancers from sport groups and elective classes performed a variety of routines along with some choir and music items.

We had over 100 students come from Glenroi Public School to watch the 1pm show, as well as some of our own students. The evening show was exciting as many family, friends, and Canobolas staff came along to see everything we’ve worked on so far this year.

After a busy term of eisteddfods and the concert, Miss Lee is very proud of how much the students have improved in their dancing abilities and in their confidence on stage. Great work to all the students who performed at the concert and thank you to all of the people who have helped support the students in the eisteddfods and at the concert.

Canobolas High Performance Athletes Program

FEEL BETTER THAN EVER
Adam Spencer at CSU

Canobolas High students were among the 200 students from the Central West and beyond who spent time with ABC presenter, and self-confessed maths nerd, Adam Spencer, at CSU Engineering Bathurst campus last week.

Mr Spencer is a Maths and Science ambassador for the University of Sydney who had the room captivated by the way he applied mathematics and taught the students how to flex their brains when solving maths problems.

6.25% of a Day with Adam Spencer was part of the STEM Industry Schools Partnerships program.

Digital Farmhand program launch

The NSW Minister for Primary Industries, Niall Blair was at our school last week for the launch of the University of Sydney Digital Farmhand STEM Pilot program. Canobolas High is one of three NSW schools chosen to help develop this program before going to a larger scale across NSW next year.

The Digital Farmhand can be coded to measure the height of plants, then selectively apply liquid fertilizer or herbicide. An optical sensor can then be used to ‘see’ healthy or sick plants, then only apply what is needed for the individual plants.

Canobolas Concert – End of Term 3

Canobolas Music students were delighted to combine with Miss Lee’s Dance students to perform two concerts showcasing student talent in performing arts. The afternoon concert delighted students from our school and Glenroi Heights Public, while students delighted their families, friends and teachers at the evening concert.

Congratulations to all students singing, playing, dancing in these concerts. An additional huge thanks to the awesome technical team assisting Miss Aldrick on cameras and backstage: Chloe Harshman, Ryan Canavan, Jace Bishop, Sam Tester.

Special mention to music performers including soloists: Cuong Nguyen (Year 8), Samuel Tester (Year 9), Jace Bishop (Year 10), Marlie Draper, (Year 10), and Canobolas Choir (Years 7-12): Victoria Ruming, Ryan Canavan, Jaime Macdouall, Cara Crowley, Nic Henry, Taliah Klose, Marnii Shelley, Jade Smith

Orange Youth Arts Festival Masala Day

Orange Masala was a celebration of culture, music, dance and craft at Northcourt on Saturday 20th October.

Jace Bishop performed two songs on keyboard, including his own composition, ‘Moving On’.

Marlie Draper performed two popular songs. She performs in Orange Theatre Company’s The Little Mermaid which opens this Friday 26th October.

Music classes

Year 10 are completing their final assessment for the course – writing their own song or rap.

Year 9 are studying Musical Theatre and working towards their final performance assessment task. Year 8 are studying Film Music and working towards composing their own film music, while learning to play popular TV, movie and gaming theme songs on keyboard, guitar and ukulele.
**School Notices**

**TCRTHS School Uniform**

### Junior Girls Uniform
- White collared shirt
- Bottle green pleated skirt or black tailored pants
- White socks or black stockings (with skirt)
- Black enclosed leather shoes
- Bottle green & white striped tie

### Junior Boys Uniform
- White collared shirt
- Grey tailored shorts or long grey trousers
- Grey or white socks
- Black enclosed leather shoes
- Bottle green & white striped tie

### Sports Uniform

For juniors to wear only on Wednesdays for junior sport or to be carried in bag to school to be changed into for PE/SPORT/PASS/SLR lessons. Students MUST change into regular uniform following these lessons.

### Senior Girls Uniform
- White collared shirt
- Bottle green checked pleated skirt or black tailored pants
- White socks or black stockings (with skirt)
- Black enclosed leather shoes
- Green checked tie
- Bottle green knitted jumper
- Black school blazer

### Senior Boys Uniform
- White collared shirt
- Grey tailored shorts or long black trousers
- Grey or white socks
- Black enclosed leather shoes
- Bottle green & yellow striped tie
- Bottle green knitted jumper
- Black school blazer

### Jumpers (with school logo)
- Bottle green polar fleece jumper
- Bottle green & black hoodie jumper
- Bottle green knitted jumper
- School waterproof jacket

### Caps
In keeping with the school’s SUNSAFE policy, students are encouraged to protect their skin by wearing caps. These are for outdoor wear and must be removed when entering classrooms or the school assembly.

---

Please note that black tights are not acceptable and sports uniform is only to be worn on days where students have double sport.

---

**School Uniform Donations**

If you are cleaning out your cupboards and have any unwanted items of school uniform, please consider donating them to our school. You can drop them off to the Front Office and any donations will be greatly appreciated.

Also please remember to label all items of your child’s school uniform as replacement costs can be expensive.
