Big Picture night out at the theatre to see Circus Oz performance

A great night was had by all Big Picture students and staff who braved the chilly, windy conditions as they stepped out for dinner at Pizza Hut and then on to the Orange Civic Theatre to see CIRCUS OZ. Students were in awe as they sat in the front row watching performers scale poles with outstanding balance, fly through the air with precision timing, demonstrate amazing balancing and gymnastic skills along with fire breathing, knife throwing, hula hooping skills and human pyramids of all varieties. A wonderful night was had by all and thanks again to the Sally Foundation for allowing the Big Picture students to experience yet again a once in a lifetime opportunity at the theatre.
Dear Parents and Members of the School Community

Welcome to the final newsletter of Term 3. Even though the year appears to be rapidly disappearing, it is nice to see that the weather is slowly starting to improve, with warmer days.

**FAREWELL YEAR 12**

This week has been incredibly busy for Year 12, as they have been involved in many activities as they prepare to farewell the school. The annual Slave Day raised a significant amount of money, and it was great to see the Year 12 students being made to work very hard for a day by their ‘Masters’. The final assembly on Thursday is always a fantastic way to farewell Year 12 and recognise their achievements over the last six years at our school.

The school will once again be holding study sessions for Year 12 students in the upcoming school holidays to provide students with a space to prepare for the HSC examinations and also to spend time catching up with staff. The STEM Centre will be open each Wednesday, Thursday and Friday of the holidays from 9am – 12noon and students are encouraged to take advantage of this opportunity and organise to meet up with their teachers during this time.

**2019 SCHOOL CAPTAINS**

At the final Year 12 Assembly yesterday the school leaders for 2019 were announced. Congratulations are extended to Catherine Nicholson and Callan Naden who have been elected as School Captains, and Erin Naden and Justin Alexander who will be the Vice Captains. I have confidence that these students will confidently fulfil their roles for the next 12 months.

**GIRLS ACADEMY AWARDS NIGHT**

It was with great pleasure that I was able to attend the Girls Academy Awards Night on Friday 21st September. A large number of girls were recognised for their sporting, academic and extra-curricular achievements throughout the year and the staff should be congratulated on the organisation of a great event.

**TERM FOUR**

Just a reminder that Term Four does not start with a pupil free day on the Monday. This means that all students (except Year 12), return on Monday 15th October 2018. The HSC Exams commence on Thursday, 18th October with English (Advanced) and English (Standard).

I hope that everyone has a great school holiday break and is able to rest and relax, before returning for what I am sure will be a very busy Term Four.

With my warmest regards

Kate Wootten
TCRTHS Calendar

Look at what’s coming up...

Monday 15th October
Thursday 18th October
Friday 16th November
Wednesday 12th December

Students return for Term 4
HSC Examinations begin
Year 12 Graduation
Presentation Night

Around the Grounds

Springtime flowers around the school: Flowering Plum and Crabapple trees, new native garden, Camellia, Rosemary, Strawberry
Year 7 and their chickens

With a brand new group of Year 7 classes experiencing Agriculture this term, we made sure that chicks were hatching from the incubator in the first week of term. The students have observed two more hatchings since. They are now able to identify the many different breeds we have at the Farm. Year 7 has also learnt about the food that our chickens eat and how this changes as they grow up. They know how to handle very tiny chicks to weigh them to monitor their growth. As the chickens have gotten bigger, the students’ confidence in handling larger birds has increased and some are now even able to safely catch a rooster!

Ms C Hallett—Agriculture teacher
This year's annual CKC Cup was contested in Week 8. Canobolas High School hosted Cowra High School for the first leg of the competition. It was a brilliant day of competition and both schools displayed excellent sportsmanship, unfortunately Cowra were too strong for us on the day.

Canobolas then travelled to Bathurst to take on Kelso High School. Around 80 students competed across a variety of sports and gave it their all. All teams performed great and were very competitive over the course of the day. Kelso High proved they were this year's CKC Cup Champions by defeating a gallant Canobolas side.

A massive Thank You to the PE Staff for their organisation of the event and supervision of students over the two days.
Fantastic day out for our young cricketers who competed in the Orange High Schools Woolworths Cricket Blast School Cup!! All three Canobolas teams made it into their grand final matches. Big congratulations goes to the Year 7/8 girls team WINNING their division for the day. Well done to everyone for a great day and a HUGE thank you to Miss Woods for helping and coaching.
Western Region Academy of Sport Hockey Squad 2019
CONGRATULATIONS
MONTANA GRIFFITH

NSW COUNTRY SOFTBALL REPRESENTATIVE
Samuel Flannery
2018 Under 21 Open Boys Team in the East Coast Challenge Cup
2019 NSW Boys President’s Junior Interstate Shield Team

Micaylah Downey
2018 Under 21 Open Girls Team in the East Coast Challenge Cup
2019 NSW Girls President’s Junior Interstate Shield Team

Goodluck Samuel and Micaylah
REPRESENTATIVE SCHOOL SPORT SHORTS

Looking to buy a new pair of school sport shorts to represent the school in? Well it’s your lucky day!!

The PDHPE staff have some representative school sporting shorts left. **Shorts cost $40 each.**

We have 5 size 36 and 2 size 38. If you are interested please see a PDHPE staff member.

SCHOOL SPORT SOCKS ARE BACK.....

We have recently restocked out supplies for the schools sporting socks. If you represent a school team you are required to wear a pair of Canobolas socks for your chosen sport.

**All socks are $10,** can we purchased at the front office or from the PDHPE staffroom.

Happy shopping.....
On Wednesday 19th September boys and girls from Years 7&8 took to the touch field to play in the 7&8 All Schools Touch competition at Jack Braham. The students were outstanding, improving in every match they played. They played in the spirit of the game and displayed great sportsmanship. It was a tough competition for both boys and girls, with many teams having multiple representative players in them but this didn't worry our players, they all still tried their best. Special mention to Max Wilson and Lara Bennett for their leadership skills on and off the field. Thank you to Wil Phillips to volunteering his time and refereeing on the day and to Miss Somers for being a super coach, once again.

**Year 7 and 8 girl’s team:** Montanna Griffiths, Lara Bennett, Krishna Bishop-Carolan, Brynn Thomas, Evie Peace, Gabby Spesser, Aisha Sullivan, and Kaylar Forrest.

**Year 7 and 8 Boy’s Team:** Wil Phillips (ref), Max Wilson, Jayden Leahey, Kyran McLean, Greg Langbien, Jai Anlezark, Axel Ondevilla and Dylan Birks.
The annual 2018 Shea Hockey Cup was held on September 4th at the Orange Hockey Complex. The cup involves many of the Orange High Schools coming together to participate and challenge each other in both Men’s and Women’s divisions.

The Shea Cup began as an opportunity to observe the growth of hockey within the Orange community. Canobolas High, Orange High, James Sheahan and Kinross all participated in the gala day.

Our Men’s squad was made up of:

Jesse Jones (Yr 7), Max Wilson (Yr 8), Caleb Gunderson, Mitchell Jackson, Ethan Mitchell, Alex Walker,
Jack Wilson (Yr 10), Trent Hassan, Trent Wilde (Yr 11), Brad Patrick, Jacob Skelton and Kyle Walker and Braydon Quigg (Yr 12)

The Open’s Boy’s hockey team were unbelievably competitive and although they lost every game, the scoreboard did not represent the game that was taking shape on the field.

After an early exit from Caleb Gunderson in the first 10 minutes of the first game, we knew we were in for a fight. But fight we did, with the boys demonstrating some fantastic skill and awesome defence. There was plenty of finesse on show and with some loud encouragement from the sidelines from both coaches, the boys lifted to play some amazing hockey. We had students competing from Year 7 through to Year 12 and it was exciting to see some talent emerging from the younger grades. A special shout out to our Year 12 boys as they competed in their last school representative opportunity. Kyle Walker was absolutely player of the day coming up with some fantastic defence with Jacob Skelton making some incredible saves to keep us in the games. I was honoured to coach such an amazing group of young males. They were an absolute credit to the school and I look forward to future competitions!

Our Women’s squad was made up of:

Karlee Bell, Emily Haig, Jessica Healey, Monique Jackson, Rickelle Seabrook, Marnii Shelley (Yr 7)
Kaitlin Borkowski (Yr 8), Caitlyn Jones, Heidi Bell (Yr 9), Rachel Bell, Annaleise Kulka (Yr 10), Kattie-Lee Bennett, Ebony Hay, Kimberly Kiel, Lily Morrison (Yr 11) and Lucy Davis – captain (Yr 12).

This year the Canobolas Open Women’s team were unlucky to get beaten in each of their four games. However, with several younger players and players relatively new to the sport of hockey, coming into the squad – it was always going to be a tough day. However, what stemmed from the day was the obvious growth in each of these ladies. The leadership of Lucy, Lily, Kattie-Lee, Ebony and Kimberly shone through. Strong attacking runs were consistently made by Karlee Bell, Jessica Healey, Rickelle Seabrook and Lily Morrison throughout the day’s games. Kimberly Kiel is to be congratulated on the many great saves she made as our goalie. She was ably supported by Lucy Davis with her strong defensive skills.

At day’s end Canobolas High received the ‘Play by the Whistle’ award for their true sportsmanship and positive never give up attitude. To cap this off Kaitlin Borkowski was awarded a brand-new stick as an encouragement award for her efforts for the day.
The Canobolas High AWD League Tag team competed in the Western Region AWD League Tag competition held in Dubbo on the 13th September.

With only the bare minimum of 6 players for the competition, it was always going to be a tough day, but the team worked hard all day finishing 3rd in their pool.

The first game of the day was against eventual runners-up Delroy High. The Delroy players were very fast and agile. Canobolas did well to stay in touch, but went down 32-16.

Forbes High proved to be a very even match. The game was drawn at half time, but a lapse in concentration from Canobolas at the end of the game allowed Forbes to score an extra try and take the game 28-24.

The final game of the day was against Carenne SSP. Canobolas finally got it together as a team and began to score easily. A late resurgence from Carenne threatened the lead, but Canobolas held on to win 24-20.

All our players scored at least one try, with Nick Clark our leading try scorer for the day. Jordan Skeen-Russell was the champion tagger. Kirra Everett was named as team MVP.

Thanks to Hayden Gibbs-O’Neil for coaching the team!

Carmen Dederer
2017 Canobolas school captain Georgia Kiel is currently living, studying and playing softball in the US at Concordia University. We are fortunate enough to receive an update on her first stint over there!

Georgia’s training consists of gym 3 mornings from 7am per week (she’s worked up so far to doing squats with 165 lb weights) and softball training 6 days a week every afternoon with Sunday off to study and catch up on assignments.

This week she played the first batch of games of the season and of her collegiate career! The team performed well and won all three games. One of the parents uses an app called Periscope and live streams the games. Georgia watched and learned, and played as a DP (designated player for a fielder, she bats while the other girl fields) and had a few bats and did well. Struck herself out, hit to 3rd base to get on base and a walk with a steal to 2nd base on an overthrow. Got home both times too. She said they are not allowed to sit down in the dugouts, they are to be moving and keeping their muscles warm, singing, cheering and banging on the dugout wall at all times for the great atmosphere. They play again Wednesday 26th, Saturday 29th and Sat 6 Oct. Big thanks to Stella Kiel in keeping us updated on Georgia’s successes. Looking forward to the next update!
On Friday August 31st the Under 16 girls made their way to Bathurst for the annual Tom Kemp Hockey Cup. This involves young ladies of various experience levels from across the region participating in the cup to encourage the growth of the sport. Although a long wet day, it was great to watch the growth of each young lady.

First game of the day saw our girls take on Cowra. In an evenly contested match the girls held their own to walk away with a nil all draw. This was an impressive start to our day given we played with only nine players for most of the match. Jessica Healey had a great game in goal pulling off some great saves. Heidi Bell had a strong game upfront making inroads with her pace.

Kelso was the next game and clearly had a team who had all played hockey before. The girls banded together and played good hockey to hold them to a 1 all draw. Karlee Bell had a great game in attack and scored our goal, deftly making her way past their defence. Monique Jackson had a solid game in defence.

Third game of the day was Blayney and again it was another evenly contested game with the final score being 1 all. Rickelle Seabrook was strong in attack and kept the pressure on the Blayney defence before finally scoring our goal. Rachell Bell played strongly in the mid field ably assisting both our defence and attack.

Molong proved the hardest game of the day. A team that clearly had lots of experience and knew each other’s game we eventually went down 3 nil. Tyler Dent was consistent in this game and was unlucky not to score and broke down play in the mid field repeatedly to prevent Molong from scoring. Caitlyn Jones had a strong game marking out some of their key players and making some great runs down the sideline. The score of this game did not reflect the efforts of the Canobolas girls. They gave it their all and never gave up.

In our final game of the day we took on the might of Wellington. It was the best game of the day as the girls really came together and capitalised on their opportunities and supported each other in defence and attack. Annaleise Kulka was the first to score off a short corner. She had spent the day playing strongly in defence but quickly made the most of her time upfront in attack. Karlee Bell, always quick off the mark, made amazing inroads down the sideline during the match and her efforts were rewarded by a beautiful goal. At 2 nil up we were looking like a stronger outfit. Marnii Shelley, who had never played hockey before, had grown so much during the day’s games and this showed in this match when she made many great passes that assisted the attackers to put pressure on Wellington’s defence. Rickelle Seabrook had worked tirelessly all game and finally her efforts were rewarded when she accurately drew out their goalie and put the ball into the back of the goal. 3 Nil was the final score and it was a great reflection of the team effort of this young squad.
Term 3 has been a very busy one for all the boys and the staff. We have been involved in many sporting and active activities which the boys have loved. On Friday night we had the opportunity to be involved with the ‘Lead the Way’ function at the Civic Theatre.

This provided a great opportunity for our boys to engage with the community, have the opportunity to develop some leadership skills and interact with a group of people way outside of their network.

The role they were asked to do was to greet people as they arrived at the function, offer them a program for a donation. Firstly, for our boys to approach total strangers in a polite caring way was a challenge for them, on top of asking them if they would like a program for a note donation. This is something they are not comfortable with and their approach to this task was very pleasing to see. In light of the reports around some of our boys, it was validation that these boys are very well mannered when required and know how to conduct themselves when put into unfamiliar situations.

As well as selling programs, Alex and Brock manned the merchandise table, selling guide dog toys. It was a nice touch for them to give every toy a name.

There were around 400 people attended the evening with a quartet playing in the foyer, giving the boys an experience that they have never been involved in before. It was pleasing to receive many positive comments on firstly, how smart the boys presented themselves, and secondly, on their approach to the task and how well-mannered they were. On occasions they dealt with difficult situations and were very relaxed with it.

David Driscoll, from Rotary, was very appreciative for the efforts the boys put in and they helped raise significant funds for a very worthy and needy charity.

Both Matt and I were proud of all the boys and the image they portrayed for both the Clontarf Foundation and for the Canobolas High School. Our feelings were ratified by both Andrew Gee and Phil Donato, who both spent time with the boys on the night.

Well done men.

James Grant
Director
Canobolas Clontarf Academy
Girls Academy Red Carpet Awards Night

On Friday the 21st of September 2018 Girls Academy hosted the end of year awards night. The awards night is usually held in Term 4, although, to make this an extra special event we decided to involve our current Year 12 students before they leave Canobolas. This year’s theme was Hollywood Glam, our Academy students wanted this so they could dress up and celebrate. With many long days of planning and preparing the big day finally arrived and it was an absolute cracker of a night. Students and parents began to arrive at 5:45 for a 6pm start. The students put in so much effort and looked absolutely beautiful in their dresses. The awards kicked off with an introduction from the MC’s of the night, Sharone Moore and Tegan Wood.

It continued with a special welcome to country from Erin Naden, and speeches from the Program Manager Nikita Mason, Canobolas High’s Principal Kate Wootten and Regional Manager Louise Lawler.
The award winners of the night were:

**Academy Friendship Award** - Chey O’Neill  
**Ambassador Award** - Kyah Sullivan  

**Principals Award** - Kirra Edwards  
**Academic Aspirations Award** - Kayla Cook  
**Rising Star Award** - Kimi Craige - Lucas  
**Most Improved Award** - Joan Shillingsworth  
**Sportswoman of the year Award** - Zora Hines - Coffey  
**Ricky Grace Award** - Sharone Moore

A big congratulations to the students for receiving these awards, they have worked so hard throughout the year. Once the awards ceremony commenced the parents were asked to leave as the rest of the night was all about the students and celebrating the wonderful year they have had.

We would like to give a massive thank you to all that help Girls Academy throughout the year, Rochelle & Nerida at Ashcrofts Supa IGA, OAMS, WESTPAC Branch Manager Dominic Porter, Annette Uata, Mary Croaker, Lizzie Bilton, Miss Woods, Miss Morris, Miss Duncan and Miss Morrissey.
