A taste of Orange for Big Picture students

Last week, Big Picture students from Years 8, 9, 10, 11 and 12 spent a week out on work placement in the Orange community, practically learning about their passions and interests. A huge thanks goes out to all businesses involved who provided students with authentic and academically rigorous opportunities in the workplace.

Students returned to the advisory keen to share their exciting, new learning experiences. They enthusiastically engaged in conversations with their peers and advisors, happily reflecting on how they can now use these new skills to develop personal qualities for the future.

Big Picture Orientation Day for 2020

An action packed two day Orientation was held this week for potential 2020 Big Picture students. Eighteen students were asked to explore a number of components of the Big Picture Education design and given the opportunity to research, participate, ask questions and explore a little of their passions/interests as a taster of some of the Big Picture tasks for 2020.

Students are to be commended on their ability to actively engage with all activities, respectfully listen and work collaboratively in groups with the tasks assigned. They independently demonstrated a keen thirst for knowledge and for the learning opportunity through Big Picture.

Please remember ...whether you are successful or not this round, back yourself and your beliefs, continue to explore new horizons and take on board challenges to remain optimistic in life!

Thank you to all participants for a wonderfully refreshing two days of Orientation – see you next year!

On Monday 16th December, Year 10 and Big Picture students celebrated a wonderful end of the year with an excursion to Raging Waters in Sydney (formally known as Wet ‘n’ Wild). Thank you to all the students who came along and a big thank you to Nick Tucknott, Mrs Rose, Ms Penberthy and Miss Somers for a great day out. We really enjoyed the day with our fantastic students.

*Cafe Latte Orange has proudly supported work experience students during the past ten years. We have been extremely fortunate with the quality of students we have hosted during this time. We would like to acknowledge Cody as being one of the most outstanding and enthusiastic students we have had the pleasure of providing work experience for. His attitude, punctuality and enthusiasm is second to none and our customers warm to him immediately. We would not hesitate to employ Cody in the future.
