PRINCIPAL REPORT

Greetings,

As I sit here and write the last newsletter item for the year, I can positively reflect on a broad range of accomplishments that we have achieved this year. Over the past fortnight, we have recently held a successful Presentation Evening, Alumni Event, Year 12 Graduation, and our Clontarf / Nasca Graduation ceremonies. I will also share some of the broader achievements that we have accomplished throughout the year. These were all shared at our recent Presentation Evening.

- 44% of our graduating Year 12 cohort have already gained Early Entry into University. I look forward to seeing their HSC results when they are released this week.
- Our school completed a successful External Validation process which was held on the 1st of June. Without going into too much detail, of the 14 School Excellence Framework Domains, we were validated at Sustaining and Growing across 12. This is a huge improvement from the previous External Validation held in 2018 and the feedback from this process will guide the development of our new Strategic Improvement Plan.
- This year, we introduced the Aiming High Challenge. 10 students have been engaged in this High Potential, extra-curricular program over the past two terms. They have collaborated with students at Pittwater High School and held their showcase event this week to present their passion projects.
- Our second Alumni Event was held last week and has again received high praise. Having 14 successful Canobolas alumni return to talk to our students about their career prospects was both thought-provoking and engaging.
- Our CHPA Dance Team was again successful this year winning three Eisteddfods in Bathurst, Orange, and Wellington. They were also selected to perform at the Pulse Alive, Western, and State Dance festivals. Whilst also performing at the recent Schools Spectacular Showcase in Homebush.
- During NAIDOC Week, our school teams won the NAIDOC Gala Day in the Junior and Senior divisions. We competed against Orange High School, Molong High School, and James Sheahan. And like 2022, our students were also successful in winning the NAIROC competition.
- Year 12 student Marley McLean designed the NSW Combined High Schools and All-Schools Basketball jerseys. His Indigenous print used in this design was the first time any student had been involved in the creation of an NSWCHS jersey. A great effort on his behalf. (See attached story).
- Year 11 student Samuel Gross was identified by Sports Travel Australia for his Cross-Country prowess at both Regional and State levels. He was selected to travel to the USA during the year and he participated in 4 cross country events which were held in Arizona and Nevada.
- Throughout the course of the year, we have also had 15 Western Representatives, with 2 dual representatives.

As you can see from the achievements above, we have certainly had an amazing year and I am extremely proud to lead this school.

As we start preparing for 2024, it is disappointing that we have to say goodbye to some of our permanent members of staff.

I would like to thank Charlotte Hogg (Maths), Lucas Wrightson (Science), and Lou Kemp (SLSO) for their service at CRTHS and wish them all the best in their future endeavours. All three staff members have made extremely positive contributions to the school during their time here. We will officially farewell these staff members at our final School Development Day on Monday 18/12/23.

Finally, I would again like to congratulate all our staff and students for an exceptional year. As we arrive at the end of the year, we can take pride in the fact that we have not merely survived; we have thrived.

I wish everyone a Merry Christmas and a Happy New Year. I hope you enjoy the school holiday break and come back refreshed for 2024.

Regards,

Mr Blaker

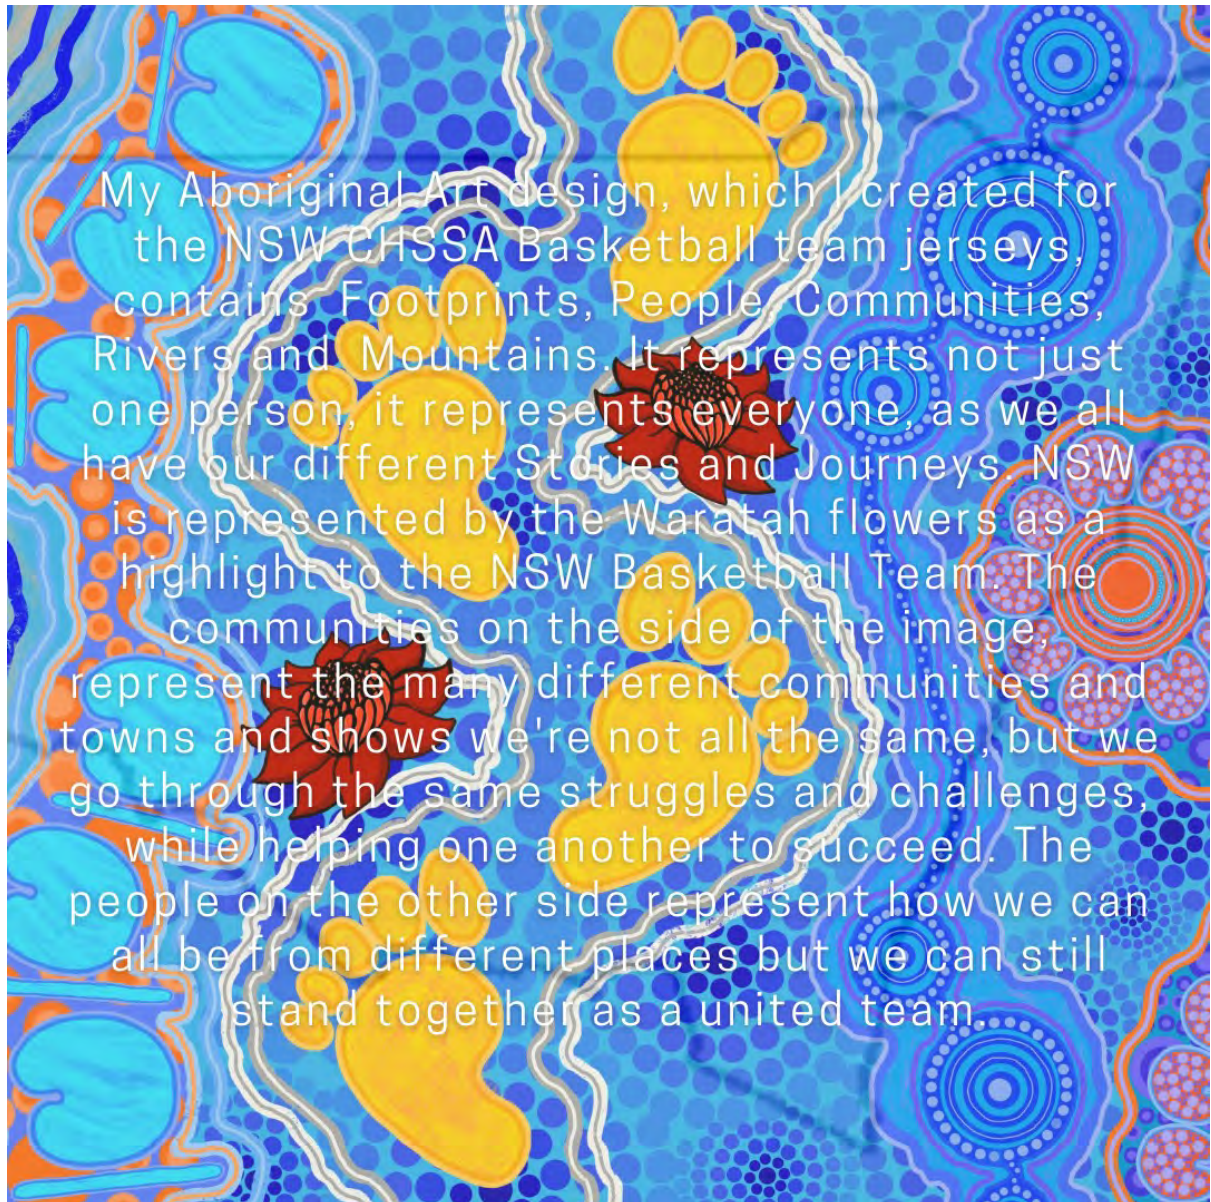

Merry Christmas from our School and Vice Captains.

Marley McLean, a student at Canobolas Rural Technology High School, created the Indigenous design to be used in side panels of the CHS Basketball uniforms. Marley is a keen basketball player and referee, and a positive Indigenous role model.

Marley spent a lot of time (in our Numeracy class) planning the design, asking questions about where the players in the teams were from and how they were selected. Once his design was complete, he worked with the school's Aboriginal Learning and Engagement Centre (ALEC) SLISO to create the design in a digital format.

Below is the story behind the meaning of the artwork.

The design was submitted to a uniform supplier to incorporate in a basketball singlet. Marley was involved with modifying the concept design and making the final selection.

Marley was presented with the NSWCHS basketball singlet as a thanks for his contribution.

Based on the popularity of the NSWCHS singlets, Marley's design was then incorporated into the NSW All Schools Basketball playing uniform and worn at the School Sport Australia National Championships

DEPUTY PRINCIPAL REPORT

As we approach the much awaited holiday break, I wanted to take a moment to extend my warmest wishes to all our students, parents, and staff. This year has been nothing short of amazing, filled with remarkable achievements and the continuous demonstration of our core values - Respect, Responsibility, and Learning. It's been inspiring to witness their growth, dedication, and enthusiasm throughout the year.

Looking ahead to the new school year, it's important to note the return dates for 2024:

- **Year 7, Year 11, and Year 12 students will resume classes on Thursday, February 1st.**
- **Year 8, Year 9, and Year 10 will return on Friday, February 2nd.**

We also encourage students to come prepared for a fantastic start to the new year. Please remember students should come prepared with school bags and books, ready to engage in exciting learning experiences from day one. As a reminder, a full summer uniform is also expected when we begin the new year.

As a school, we are working on improving attendance rates in 2024. Students should attend school at least 95% of the time, with notes from parents and caregivers explaining lateness or absence. We look forward to your support in ensuring your child is at school and learning.

We hope you have a wonderful and safe holiday break and we look forward to seeing you all in 2024.

Warm regards,

Deputy Principal (Years 7 & 10)

Mrs M Kerr

MUSIC

Charlie Silva and Erin Anderson both received scholarships for tuition on their chosen instruments. Charlie (Year 10) received hers on drums and Erin (Year 8) received hers on Bassoon. Both students had to complete an application and audition process. Charlie and Erin played well, and we would love to congratulate these girls on their hard work.

The event provided valuable networking opportunities and served as a source of inspiration for the future career paths of our students. Thank you to everyone who participated and contributed to making it a memorable occasion. See the photos on the next page.

Congratulations to Year 12 Graduates:

A heartfelt congratulations to all our Year 12 graduates who have successfully secured offers for university placements, jobs for the upcoming year or are having a well earned break.
