UPCOMING EVENTS

Year 11 Yearly Examinations | 11 - 19 September

Year 12 Farewell Assembly | 21 September

Term 3 Holidays | 25 September - 6 October

HSC Examinations | 11 October - 3 November

RIDDLE ME THIS...

What has many keys and yet
cannot open doors?

Answer: A Piano

**The more there is, the less you see.
What am I?**

Acknowledgement of Country

CRTIS acknowledges and pays respect to the Traditional Owners and Custodians of country throughout Australia, specifically the Wiradjuri peoples of whom land we learn on each day.

We honour and respect the cultural heritage, customs and beliefs of all Aboriginal and Torres Strait Islander people.

Canobolas Rural Technology High School

Principal: Mr Brett Blaker

Deputy Principals: Mr Baden Curran, Mr Tristan Goodwin, Mrs Melisa Kerr and Mrs Lucinda Macdonald.

PO Box 8100 | 142 Icely Road Orange NSW 2800 | 02 6362 1677 | canobolas-h.school@det.nsw.edu.au

PRINCIPAL REPORT

Greetings,

The time has finally come to wish our graduating class of 2023 farewell.

Year 12 Farewell

I have had the pleasure of watching our Year 12 students develop over the past two years while they have successfully completed their senior schooling. During this time, these students have learned to cope with the stringent COVID-19 provisions, maintained a sustained and diligent effort toward their studies, built positive relationships among themselves, and matured into respectful young adults.

I am proud of their efforts; the achievements and I wish them well in their upcoming HSC examinations. I would also like to congratulate those students who have received Early Entry offers into university courses. This is a great reward for your efforts and a great foundation for you to be successful in the future.

Year 11 Examinations

This week, Year 11 began their exam period of formal exams that will mark the end of the preliminary courses they have been studying so far this year. Next term, Year 11 will roll into Year 12 and begin their HSC study program.

We are using our team of HSC exam supervisors to run these exams, not only because it is efficient, but it also allows Year 11 to experience similar conditions under which assessments will be held next year, including the HSC exams.

As we move into Term 4, all students across Years 7-10 will also complete their End of Year examinations. Preparing our students to be equipped with examination techniques is a key priority area and something we will need to continue to develop moving forward.

I hope everyone has a safe holiday break. I look forward to seeing you all refreshed for a busy and challenging Term 4 which commences on Monday 9th October.

Regards,
Mr Blaker

DEPUTY PRINCIPAL REPORT

Uniform Reminder

With spring well and truly upon us with our nice warm days emerging, it is time for a reminder about our uniform. Students need to be wearing their Canobolas Rural Technology High School track pants, polo shirts and jumpers with the school logo clearly displayed. If students require any assistance with getting the correct school uniform, they are welcome to see their Deputy Principal who can help to arrange a uniform for them.

Active Inclusion Multisport

On Wednesday 13th September, members of our support classes attended the Active Inclusion Multisport day at the PCYC. Students participated in a range of sports individually and in teams, ranging from Table Tennis to Croquet. They were accompanied by excursion organiser Ms Huggett and SLSO's Mr Hewitt and Ms Gascoyne who supported students to have an excellent time competing against other schools in our region.

Parking and accessing the turning circle behind C Block

A reminder to parents and carers that entry into our school for dropping students off and picking them up at both the entry and exit gates, as well as the turning circle behind C Block is not permitted. The only students who have access to being dropped off or collected at the turning circles, have permission from school executives and this is reserved for students with accessibility adjustments. We appreciate your understanding with this matter.

Exams in Term 4

A reminder that we do not have a Staff Development Day on day 1 of Term 4, and students return to classes on the first day back. Year 10 have their exams starting on Monday 9th of October which is the first day back. They will need pens and stationery to complete their exams, including a calculator for the Maths exam. The timetable will be issued in coming days. Year 7 – 9 exams are later in Term 4, with all years having formal exams in the hall.

Warm regards,

Deputy Principal (Inclusion & Support)

Mrs L Macdonald

2023 SNOW & SKI TRIP

We had 27 Students, 2 Teachers from Canobolas High and 14 Students, 2 Teachers from Canowindra High attend our 2023 School Snow Trip to Perisher. Long trip on the bus and then 2 full days hitting the slopes. Students attended ski/snowboarding lessons each morning and then practiced their newly learnt techniques throughout Bluecow Mountain area and beyond. All who attended showed exceptional behaviour and very good peer awareness. The second day of skiing had snow showers continually all day. All students found enjoyment either on the slopes or playing in the fresh powder. Thank you to Mr Caulfield and Miss Crouch for organising another successful Snow Trip.

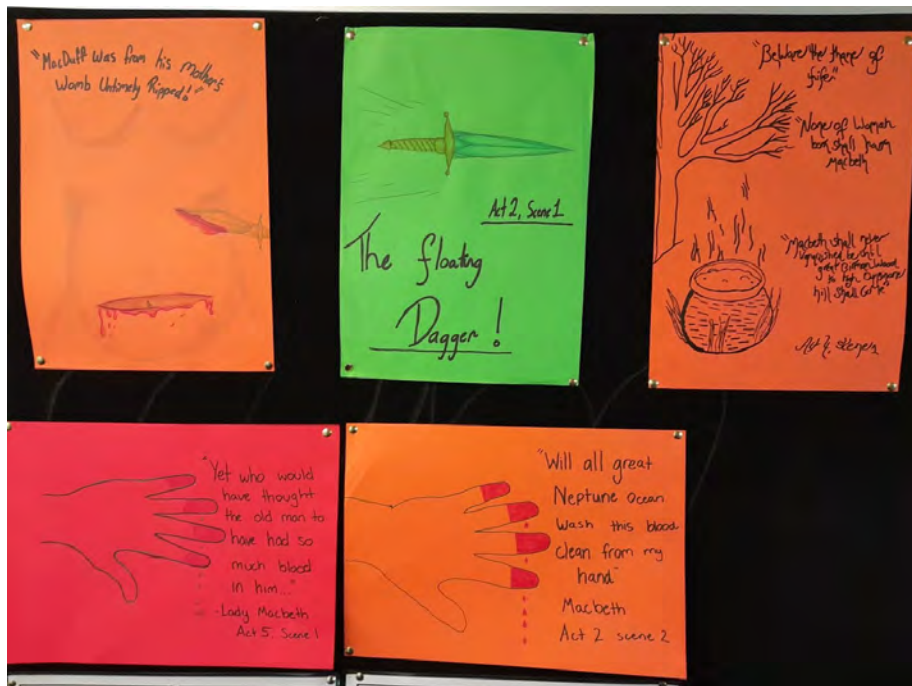

ENGLISH & LOTE

Goodluck to Year 11 who started their End of Year Examinations this week.

Year 10 English

Year 10 are coming to the end of their Shakespeare unit, looking at the play Macbeth. Last week, the students in Year 10 English Darling created posters depicting key scenes from the play. Students should be very proud of their efforts. See posters here.

75 Word Competition Results

The winners of the competition:

1st - *Molli Huggett (Year 12)*

2nd- *Lochanvar Thompson (Year 12)*

3rd- *Sophie Murphy (Year 9)*

Molli, Lochanvar and Sophie are welcome to collect their prize from Mrs Gold in the front office.

Dudley Debating Competition

In week 8, four students from the school debating team attended the 2023 round of the Dudley Debating Challenge at James Sheahan Catholic High School. The team put together some strong arguments on topics such as banning the use of mobile phones in schools and mandated employment of teenagers. The students represented the school well and were able to learn a lot from the experience.

BIG PICTURE

CELEBRATING SUCCESS - SENIOR MYSTERY TOUR

At the end of week 7, the Senior advisory was treated to a 'Mystery Tour' throughout Orange. The purpose of this **A M A Z I N G** excursion was for students to experience wellbeing activities within the local community. Big Picture Advisors happily chaperoned these young adults, highlighting local facilities they can access for minimal cost to reset, socialise and perhaps use to take a break post school. At the start of the day 'mug shots' were taken as roll call, students were then asked to put on their 'tour uniforms' and upon boarding the bus, treat bags for fuel were distributed. Despite the initial feelings of being a little anxious and freaked about where they were going, confidence was installed by the tour guides and students went with the flow, had a great day experiencing activities and upon reflection, students were happy with their efforts for pushing themselves outside their comfort zone. All in all, everyone was grateful for the experience and happy to make memories for a lifetime.

Special thanks goes to Orange Lawn Bowls and Putt Putt Golf, Smoking Brothers/Elwood's Eatery and their Arcade, and Miss P for her wonderful Pink Lemonade Picasso session creating the 'Sunflower' activity to finish the day.

Merci – Emilee ☺

We wish Year 12 all the best for their future pursuits and hope they continue to step outside their comfort zones like they did today – Congratulations and good luck!

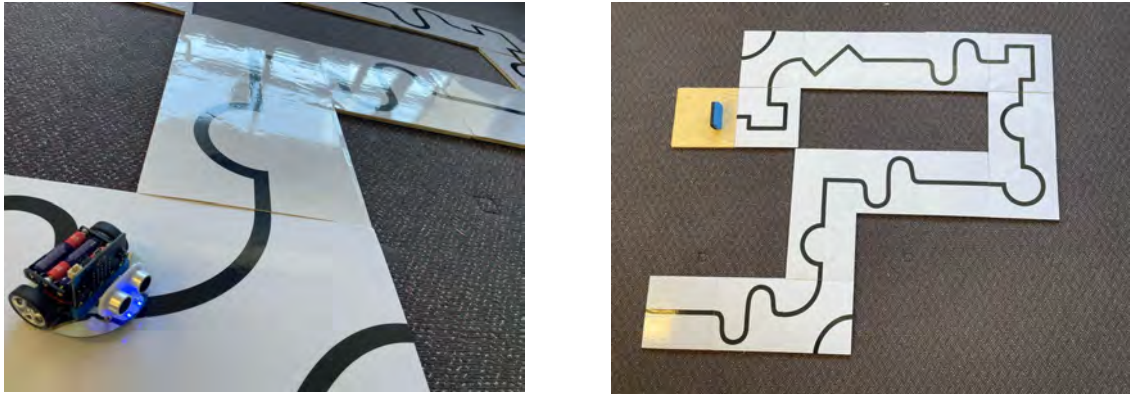

TAS

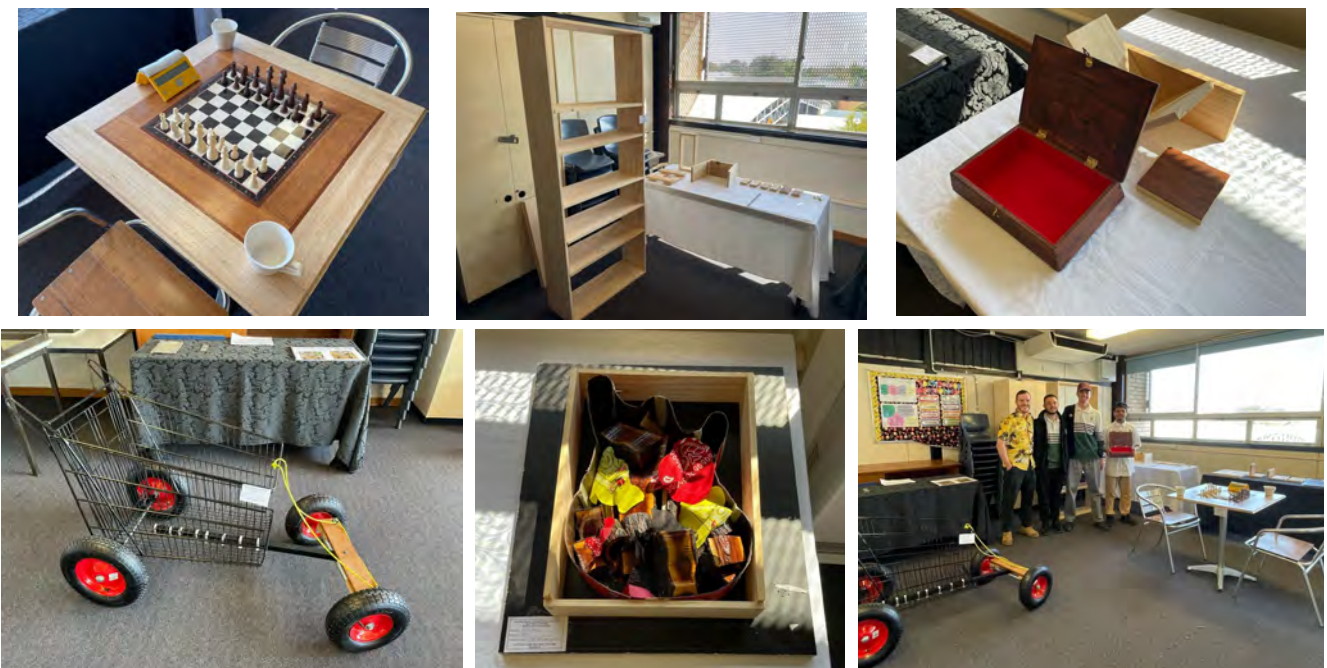

Year 7Tech5 Digital Technology students' pyrographical creations.

Technology Mandatory class 8Tech3 are leading the frontier of remote exploration this week! Using Blockly coding language, students are learning to program CuteBots to navigate an obstacle course and "rescue" the whiteboard eraser by using ultrasonic sensors to detect the object and pushing it out of the Danger Zone.

Year 12 Design and Technology class had their Major Design Projects marked during Week 9 and they should all be commended for their efforts and resilience to produce some creative projects all designed from scratch. Alex produced a chess board table, Daniel a bookshelf, Kian a jewelry box, Mitch a billy cart and Marley a resin-poured guitar body.

CAREERS

Greetings, Students and Parents/Carers!

Greetings from your School Careers Adviser!

We hope this newsletter finds you well and thriving as we step into the exciting month of September. As we approach the final stretch of the school term, there are several important updates and opportunities we'd like to share with you. So, grab a cup of tea, find a comfortable spot, and let's dive in!

Excursion to Sydney Zoo - Year 11 Business Studies, Agriculture, and Work Studies

We hope you all had a roaring good time during the recent excursion to the Sydney Zoo! Our Year 11 students embarked on this thrilling adventure, and we're eager to hear about your experiences. Here are some highlights and reflections from the trip:

Business Studies: Did the visit to the Sydney Zoo provide you with any interesting insights into the management and operations of a large-scale attraction like the zoo? Perhaps you observed some innovative marketing strategies or sustainability initiatives that sparked your interest in future business endeavours.

Agriculture: For our budding agriculturists, were there any animal husbandry practices or environmental conservation efforts at the zoo that left an impression? The intersection of agriculture and conservation is an exciting area to explore in your future studies and careers.

Work Studies: Did the behind-the-scenes look at various zoo roles give you a clearer picture of potential career paths? Whether it's animal care, education, or even event planning, the zoo offers a wide range of job opportunities worth considering.

Wine Industry Tour of Orange

We took our students to See Saw Wines, Tamburlaine Wines, and Mortimer Wines. This excursion was an opportunity for our students to gain valuable insights into the diverse career paths within the wine industry. Here are some highlights from the tour:

See Saw Wines: At See Saw Wines, students had the chance to explore the vineyards and witness the grape harvesting process up close. The visit allowed our students to understand the vital role of agriculture and sustainable practices in wine production. For those interested in agriculture and environmental conservation, this was an eye-opening experience.

Tamburlaine Wines: Tamburlaine Wines provided a glimpse into the winemaking process from start to finish. Our students got to witness the art of crafting wine, from grape crushing to fermentation and aging. The intricacies of winemaking are a fascinating blend of science and creativity, making it a potential career avenue for those interested in chemistry or food science.

Mortimer Wines: The visit to Mortimer Wines offered valuable insights into the business and marketing side of the wine industry. Students had the opportunity to learn about brand management, sales, and distribution, which are critical components of a successful winery. For those pursuing Business Studies or Marketing, this was an excellent exposure to potential career paths.

We encourage students who participated in this tour to reflect on their experiences and consider how they align with their career interests and aspirations. The wine industry is not only about producing excellent wine but also offers opportunities in agriculture, science, marketing, hospitality, and more.

If you were inspired or have questions about pursuing a career in the wine industry, please don't hesitate to reach out to your school's career adviser. We are here to provide guidance and support as you explore and plan for your future.

We hope this excursion has broadened your horizons and sparked curiosity about the exciting career possibilities that lie ahead.

Verto HSC Leavers Programme - Don't Miss Out!

To all our Year 12 students, a reminder about the Verto HSC Leavers Programme. This initiative provides FREE courses such as the RSA, RCG, First Aid and more. To be eligible, please ensure you've handed in all required forms and identification.

Congratulations to Early Entry Recipients!

We are thrilled to announce that several prestigious universities, including Wollongong Uni, Newcastle Uni, UNSW, and CSU, have extended offers to our hardworking Year 12 students. These early entry opportunities reflect your dedication and commitment, and we couldn't be prouder. Keep up the fantastic work!

Weekly Updates on Local Apprenticeships and Traineeships

Don't forget to keep an eye on your emails! Each week, we'll be sending out updates on local apprenticeships and traineeships, as well as various roles offered by businesses and organizations like Verto and Skillset. These opportunities can be the stepping stones to your dream career, so be sure not to miss them.

Excursion Forms - Keep an Eye on Your Inbox!

Parents and caregivers, please remember to check your emails regularly for school bytes. We'll be sending out all excursion forms for your approval. Your support is vital in making these excursions possible, and we appreciate your cooperation.

Year 12: Make the Most of Your Final Weeks

To our Year 12 students, remember that your school career adviser is here to support you throughout this critical period. Make the most of these final weeks of school by reaching out for guidance, discussing your career plans, and ensuring you're well-prepared for what lies ahead. We're here to help you achieve your dreams!

As always, if you have any questions or need assistance with career planning, don't hesitate to contact me. Your success is our top priority, and we're excited to see you excel in your chosen paths.

Warm regards,

Careers Adviser

Mr S Coote

samuel.coote@det.nsw.edu.au

HSIE

Congratulations to year 12 for successfully completing their studies, just one more push before their final examinations! The HSIE faculty wishes you all the best in your examinations and future work and studies.

Year 7 have been getting hands on in their Ancient History unit exploring life in Ancient Egypt. Students looked at the Egyptian's belief systems and the mummification process and then had a go at mummifying tomatoes. Well done year 7 on your efforts in class to date.

Figure 1: Preparing the tomato for mummification.

Figure 2: Pouring natron over the tomato.

Figure 3: The mummified tomato.

Year 10 examinations are in Term 4 Week 1, please encourage your students to seek assistance early, and establish a revision plan to support their success.

Years 7-9 will complete end of year exams later in the Term 4 but should also be encouraged to establish a revision plan.

Head Teacher HSIE

Mr Adcock

CAPA

YEAR 12 PHOTOGRAPHY, VIDEO & DIGITAL IMAGING EXHIBITION

The year 12 PDM class had their final projects exhibited on Friday the 8th of September in the new J Block senior photography space. Many parents, teachers and students came to see the work that the students have been busy finalising throughout the term. There was a variety of works on display, including still digital photography, collage and multimedia works combining still and moving imagery and sound. It was a wonderful exhibition, which gave the year 12 PDM class an opportunity to showcase their vast array of talents and highlight just how driven and dedicated this group of students have been over the past 18 months. I have certainly felt very privileged as their teacher to guide them through this process and have been continually surprised at their skills and natural talents but also their ability to meet challenges head on and overcome obstacles through teamwork and collaboration. As this is their final project I would like to acknowledge their success and wish them all the best for the future and with results like these I'm sure that they will go on to have many more successes in their futures.

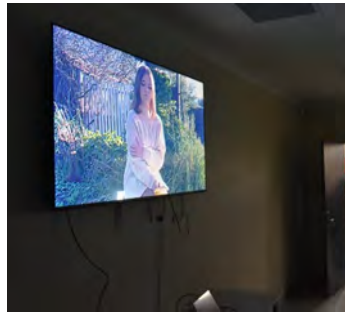

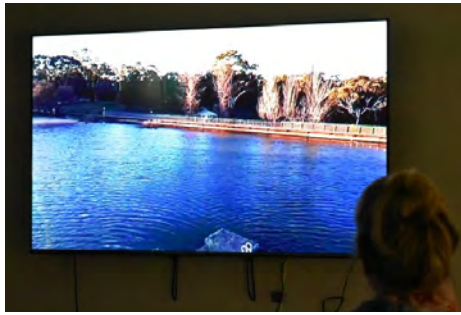

Mitchell Crossman's works on display and Ms Gabe Lindsay and Ms Peta Coulston speaking at the opening.

Jade Brown and Michell Crossman's final projects, answering questions about their work.

Tayla Allan's time based work which was a compilation of photographs tracing their family tree back a number of generations.

Nykoda Caston created a film clip style video that was widely received and visually spectacular. Chloe Palileo enjoying the afternoon tea along side her multimedia Vlog which documented a day in the life of a year 12 student.

Jade along side her self portrait photocollage. David with his series of edited photomergers.

I would like to thank all of the students, staff and parents who were able to make it to the opening and we all look forward to holding more exhibitions in our new exhibition space. I would like to also acknowledge the year 12 PDM class's efforts in putting together our first show in J Block.

CAPA Teacher
Miss P Coulston

YEAR 9 VISUAL ARTS - TERM 3 MINIATURE SCULPTURES

Year 9 Students from the Visual Arts class experienced Miniature Sculpture creation this term. They have produced amazing sculptures that are made from collected waste and natural materials. Stone wall building was popular this year and the results are fantastic.

CAPA Teacher
Mr M Caulfield

PDHPE

CKC CUP CHRONICLES!

A few weeks ago, students from Canobolas took part in the annual CKC Cup. A competition with rival schools—Cowra High School and Kelso High School. This year saw Canobolas travel to Cowra on Tuesday, 22nd August and then were hosts to Kelso on Friday, 25th August at the PCYC. As they do every year, the students had a great time and represented the school with exemplary behaviour. A massive thank you to Miss Somers for her planning and organisation, and to all staff who assisted in a coaching or supportive role on the day.

TOUCH FOOTBALL

7/8 GIRLS

The 7/8 girls touch played a tough game against Cowra High School going down 12-1. The girls played extremely well considering many of them had never played before and what was extremely impressive was watching them give it their all until the final minute even despite the scoreline. The girls played with great sportsmanship and should be extremely proud.

Heading to Bathurst, the girls came into the game with more confidence and experience as they took on Kelso High School. They played another tough game, this time keeping it much closer at 3 all for the first half of the game. In the second half with limited subs, the Bathurst girls took the lead and went on to win. Our girls should be extremely proud of their efforts and how much they improved with just one game of experience.

9/10 GIRLS

The 9-10 girls touch won convincingly against Cowra High School, going up 10-1. The girls played with great teamwork and sportsmanship and should be proud of their efforts. With limited subs, some year 7/8 girls also filled in and were very impressive.

Heading to Bathurst on day 2 of CKC cup, the girls knew it was going to be a hard game and were up for the challenge. They again played extremely well in a tough game, coming away with a 3-1 win. We are super proud of these girls and their competitiveness as well as sportsmanship showed in both events.

Miss Caughlan

BOYS - COWRA

The 7/8 boys took the field with a very inexperienced line-up, most not playing together before and some having not even played a game of touch football before. Unfortunately, Cowra took advantage of this early, moving out to a comfortable lead at half time. Slowly the connections formed for the Canobolas team as they started to claw the lead back, led strongly by Jack Kent, Darcy Jones and Riley Davis. Unfortunately, it wasn't enough though with Cowra finishing 11-7 winners.

The 9/10 boys saved touch football until their final event of the day, the showpiece event. It lived up to the hype early with neither team able to break through for several minutes. Both sides continued to trade blows, with the scores level at 2-all late in the game but sadly fatigue set in with Cowra managing 2 late tries. The Canobolas team had some chances but were unable to get the breakthrough, Cowra taking the game 4-2.

BOYS - KELSO

With several players from the Cowra game out on an excursion, the 7/8 boys again started with a very understrength side. Some early mistakes opened the door for the Kelso side to score quick tries and the inexperience again began to show. As Canobolas continued to struggle, the Kelso side was far too disciplined and organised, closing out the game 8-4.

Canobolas' 9/10 boys took the field with a point to prove after the loss to Cowra and they had the perfect start with Kelso making a mistake on the first play of the game. From this point, Canobolas never looked back, consistently troubling the Kelso defence. Regular, smooth substitutions and a slightly shortened game meant the Canobolas team was able to maintain pressure for the entire game, and despite a late try, came away with a 6-1 victory.

Mr Brydon

T-BALL

Canobolas took to the T-Ball field in both games with a limited understanding of all the rules but an enthusiastic approach. Many of our team had not played T-Ball or Softball previously, making catching with a glove a steep learning curve.

Unfortunately, our inexperience was too much to overcome in both games, going down 10-6 to Cowra and 15-9 against the Kelso. The highlight of T-Ball was an unbelievable catch from Kira-Lee Moir at first base against Kelso!

Mr Brydon

VOLLEYBALL

The Canobolas boys' and girls' volleyball teams have gone undefeated against Cowra and Kelso High Schools. The Year 9 and 10 girls dominated both matches and didn't drop a set. The highlight of all of their games was the accuracy of their serving and controlled passing from the back court. With continued effort on the girls' behalf, I believe that they are in a strong position to challenge Blayney High for the Regional championship next year.

The boys' team have been working hard to master a complex system of play and as such errors are more likely to happen. The team won their matches but dropped a set in both. What was impressive is that they persevered with attacking, high risk volleyball and were rewarded with victory in each deciding set. The Year 9 boys' will now head to Sydney to play in a one-day NSW Schools Cup in Term 4.

Mr Francey

BASKETBALL

Both the girls and boys basketball teams displayed an awesome effort and attitude during both of their games in the CKC Cup this year. All teams were extremely competitive and their team spirit was AMAZING. What a great bunch of students!

A huge thank you to Nikita Mason and Bianca Merchant for stepping in to coach and mentor all the basketball teams.

NETBALL

The 7/8 boys and girls and the 9/10 boys and girls played exceptionally well. Unfortunately, all the teams lost to Cowra, however, displayed a high level of sportsmanship to their own teammates and to Cowra.

On Friday, the teams fired up again and were ready to fight for a win. Unfortunately, the 7/8 Girls and 9/10 Boys and Girls lost to Kelso despite their best efforts. The 7/8 Boys pulled out all the stops and pulled off a win against the Kelso Boys. All students are to be congratulated for their effort and teamwork.

Miss Saran

HOCKEY

Cowra was the first test we faced and sadly they were better organised and had clearly spent some time together prior to our first CKC Cup game on the Tuesday in Cowra. We went down to Cowra 2-0. Later the Kelso fixture was played in Orange and our combinations began to work in our favour. I felt we were the most dangerous team in attack but Kelso were defending very strongly and containing us until we scored a terrific goal against the run of play to win 3-2 on the bell. A great team effort and result for CRTHS.

Thanks to Oscar Knight (pictured) for umpiring the game so well.

CHPA APPLICATIONS 2024

Are you a budding athlete or a rising sports star?

The Canobolas High Performance Athlete program continues to thrive and cater for students who demonstrate high potential in their sporting or dancing fields. Applications are now open and forms can be collected from the PDHPE staffroom or the front office.

CHPA DANCE

**EISTEDDFOD SEASON FOR
THE CHPA DANCE GROUP
HAS COME TO AN END.
THE GROUP ACHIEVED
SOME FANTASTIC
RESULTS AGAIN, 2ND IN
COWRA, 1ST IN
WELLINGTON, 1ST IN
ORANGE AND 1ST IN
BATHURST.**

ALEC

Happy term break from the ALEC!

It has been a great term at the ALEC, busy with lots of students gaining support for their studies.

We wish our Year 12's all the best as they end their journey at Canobolas and the ALEC. We have been working alongside and supporting them for the past 4 years.

A special big thanks to Amy Wilson, who has been with the ALEC from the very beginning and has been instrumental in supporting the students along the way.

We look forward to continuing the learning journey with our students into term 4 and next year.

CHESS NEWS

On Friday 22nd September the chess team will be traveling to Dubbo to play in the last round of the NSW Junior Chess League competition. These games will decide who is 2nd and 3rd in the Western Region. 1st having been taken out by Orange High School at the start of September.

This is a very exciting time for chess at Canobolas as this is the first time the team has made it this far in the competition winning 5 of the 6 rounds they have competed in this year.

Next local Tournament:

The Spring tournament for the NSWJCL will be held on Saturday 7th October in the St Barnabus Anglican Church Parish Hall starting at 9:30am.

Contact: Bevan Clouston on 0415828613 for more information.

UNIFORM

CLOTHING POOL & DONATIONS

As term 3 comes to an end it is great to see so many students displaying pride in their school and themselves by wearing their uniform every day. It has been particularly great to see so many students wearing the bottle green woollen jumpers instead of a hoodie and the girls wearing the long skirts, they look comfortable and warm.

As we head into fourth term don't forget that the formal uniform of a white shirt and appropriate shorts, long pants or skirt are the expected uniform except on the days when physical PE is undertaken. It is expected that the PE uniform of bottle green and black shirt and shorts or trackpants is only worn on these days.

Unfortunately, the Clothing Pool will be unavailable during year 11 exams, but donations can always be made to the front office at any time during school hours and please contact the Office for an appointment to look at uniform during term 4 if you are in need of any of the items it has in stock.

As our stocks are very low please remember the clothing pool when you are cleaning out the student's uniforms in preparation for term 4 and donate any unneeded items (hint, hint year 12 after your exams) to the clothing pool. They are greatly appreciated by the members of the school community.

LABELLING SCHOOL ITEMS

Uniform items cannot be returned if they do not have a name on them. Please check uniform items for students' names and that they are readable so they can be returned if found. The lost property box is in the courier's space in A block.

P&C NEWS

COME AND JOIN OUR P&C

The Canobolas Rural Technology High School Parents and Citizens (P&C) Association needs your help.

Being involved in the P & C helps to build a supportive community around the students of our school.

By attending the P & C meetings:

- you get an opportunity to have your say on decisions affecting your child at school
- learn about the school's policies and programs
- participate in fundraising activities that help improve our school.

There is a yearly membership of \$2.

We meet on the first Wednesday of each month during the school term, in the Big Picture Building (1st building on the left) at 6.30pm.

Unable to attend meetings and would still like to help?

Volunteers are greatly appreciated.

Assistance is required with our fundraising events and school canteen.

For more information contact Sharlene Anderson or Liz Crossman at the school on ph 63621677 or via our email canobolas.r.techhighschool@pandcaffiliate.org.au

Keep up to date with P&C activities via the school's newsletter and Facebook page

We warmly welcome new members!

***Next Meeting is:
NO MEETING IN OCTOBER DUE TO SCHOOL HOLIDAYS!***

NOTICES

Do you know a Young Carer?

Young Carers are under 25, and look after a family member who has a medical condition, a disability or a mental health condition.

Young Carers can get support through the Young Carers Support Program.

Supports include:

- Help with Educational Resources
- After School Activities
- Social Activities
- Camps
- Counselling

**The Young Carer Program is
FREE to access.**

If you are a young carer yourself, or you know a young carer, call **1800 422 737** for further information or to register.
